The perfect venue for...

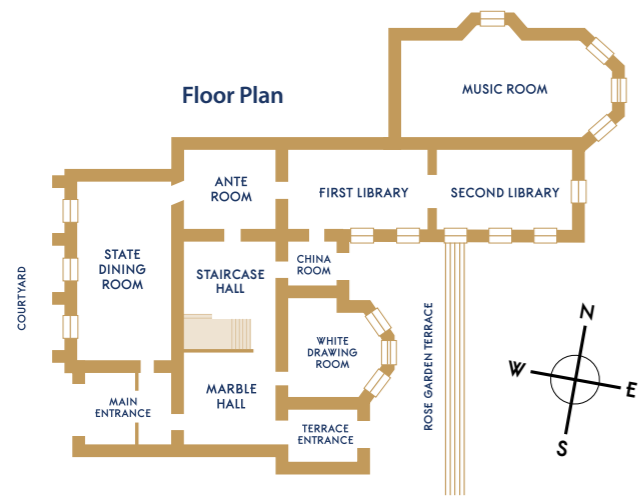

Audi Sport Showcase

Powderham Castle is the magnificent family home of the Earl and Countess of Devon. The Castle, built in 1392, sits within an ancient 200-acre Deer Park and enjoys breathtaking views across the Exe Estuary. Situated within beautiful private gardens, Powderham Castle is an exceptional venue for corporate events, conferences, receptions, formal dinners, charity events, product launches, Ride and Drive events and team building days. Powderham Castle's impressive architecture contains unique and varied interiors that make it a wonderful setting for film, television and photographic shoots.

The Castle's gardens offer outstanding views of the Deer Park and exhibit fine displays of roses. Within the Woodland Garden you will find acres of ornamental forestry, wild flowers and shrubs around Eighteenth Century pavilions. The extensive grounds also provide a fine sporting location.

Exclusive hire of Powderham Castle means that you can sleep up to 18 guests in our nine beautiful double or twin en-suite bedrooms. All bedrooms are located in the Castle and each offers its own individual style and charm.
